

*We weren't prepared for you to go
you were too full of life to be
taken away from us so soon
it's still hard to believe
how much we'll miss your smile
and your laughter in our ears
your absence leaves a hole in us
we're filling with our tears
you taught us how to be our best
to in the moment live
to never hold a grudge for long
and loyal friendship give.*

Your presence was a light and joy...
